

**All kids deserve a fair go in life.**

Variety – the Children's Charity assists both individuals and organisations – including schools, not for profit organisations and community groups - through our grants program. We grant equipment, supplies, educational aids and much more. This may be a wheelchair for a child, an assistance dog or an all-abilities playground for a school or local park. Variety also provides scholarships and runs special programs and kids events to make sure all kids get a fair go in life.

### Day 2 Mon 25 May Silverton NSW to Cameron Corner, QLD

It's all dirt and sandy tracks today as we head north along the mail route to Cameron Corner where the states of Queensland, New South Wales & South Australia meet. Here you can also see the Dingo Fence, stretching over 5,500 kms long.

### Day 3, Tues 26 May Cameron Corner, QLD to Innamincka, SA

This trips let you experience some of the most remote towns in Australia, and with a population of just 44, Innamincka fits the bill. A pub, an airstrip and the mighty Cooper Creek await!

### Day 4 Wed 27 May Innamincka, SA to Birdsville, QLD

You haven't really experienced the Aussie Outback unless you've visited one of our most famous Outback towns, Birdsville. Once a notorious place through which cattle drovers moved their stock, Birdsville is now a thriving town.

### Day 5 - 7 Thur 28 May - Sat 30 May Camping, Simpson Desert, NT

To give you a true Outback experience, in 2020 we will be spending 3 nights camping in the vast Simpson Desert, home to some of Australia's best 4WD tracks. With dunes up to 15 metres high set against bright blue skies, these tracks are both challenging and memorable.

### Day 8 Sun 31 May Mt Dare, SA

Mt. Dare, on the western edge of the Witjira National Park, features one of the most remote hotels in Australia, the Mt. Dare Hotel, which used to be run as a cattle station until the area was turned into the Witjira National Park in 1984.

### Day 9 Mon 1 June Mt Dare, SA to Alice Springs, NT

Iconic Australia just keeps on coming on this trip! Today we arrive in the remote town of Alice Springs, halfway between Adelaide and Darwin (both of which are 1500 kms away). Alice lives up to it's name as the beating heart of Australia's Red Centre.

### Day 10 Tues 2 June Alice Springs, NT to Palm Valley, NT
